To Whom It May Concern:

It has come to my attention that letters may have been sent to you from an individual who signs herself Aileen C. Belmont. These letters are generally postmarked from Indio, California. If you received such a letter or other information which referred to Soldier Of Fortune Magazine and/or Robert K. Brown, it may also have used the return address of Soldier Of Fortune Magazine and had my name typed on the bottom.

The letters and other information being sent out are malicious, patently false and libelous in the extreme. I have never met nor have I ever communicated with this person in any manner. This person does not have my permission to use my name nor the return address of this Magazine. While I do not have any idea who the individual is who is writing the letters, I can only assume from the nature of her communications that she has problems of such a nature that it would require persons in a far different profession from mine to interpret.

The communications, including threats, slander and the use of my address is being investigated by the Federal Bureau of Investigation. If you have received such information, it would be appreciated if you would send it to me at Soldier Of Fortune Magazine, 5735 Arapahoe, Boulder, Colorado, 80303, or to the Boulder, Colorado office of the Federal Bureau of Investigation at 1790 - 30th Street, Boulder, Colorado, 80302.

I hope this has not caused you any great inconvenience.

Sincerely,

SOLDIER OF FORTUNE MAGAZINE
